

Regional mission event at West Linn Lutheran Church on Saturday, May 5

For Mt. Hood-Oregon Trail-PLUM-Mt. Tabor clusters
20390 Willamette Drive, West Linn, OR 97068

The 2018 Synod Assembly has been divided into missional days spread throughout Oregon on May 5 and a business day in Portland on May 19. Our mission day will include time with the Bishop giving us a profile of the synod; sharing of creative ministries within our congregations, and worship. In contrast to the business day, the mission events are open to **everyone**. This is a wonderful opportunity to get a better sense of the wide range of ministry and mission happening all around us. Cost (to cover snacks, coffee and lunch) is estimated at \$10 per person.
